91 apprenticeships in various disciplines

66 sustained jobs for long term unemployed

Over 300 people benefited from employment, training and skills opportunities

Over 300 community engagements including big regeneration projects

£1.6 million of additional benefits delivered as part of the social value work.

# What's on the menu?

Various educational engagements

Local community projects

Local employment, training and apprenticeship opportunities

Charity support /work

Volunteering

# Support I need from you.....

Linking into educational establishments and community groups within your local authority

Contacts for local service providers including probation and prison services

signposting to any stakeholders/ local residents that would benefit from the social value work

Your aspirations for your local communities

# Volunteering so far.....

It was lots of fun to help out!

Thank you for time, do you have any questions?.....
